Subject: IHS Providers | Omni Plus Shares offered in December 2014

Peter,

Thanks for your time today. Per our conversation, we are starting to lose providers due to the pharmacy being backed up and patients not getting the prescribed solutions. The providers below are the providers I would like to offer at least one share to in December. Some of their revenues are lower than normal but they are writing a lot of RX's. I feel at this point, getting them invested is the best way to keep them writing for Omni. I've already socialized the value of the investment to these providers and most are interested. Please let me know which providers I can extend the offer to. If they accept, I will get them on a quick call with you to briefly review the highlights of the PPM and discuss final steps to secure their share(s). Also, please call me directly about Dr. Jeff Owen. Thanks in advance.

November Reimbursement Amount:

Patel - \$27k

Becker \$15k

Browning - \$23K

Hermann -\$16K

Keehan -\$43K

Lawler - \$10k

Merriman -\$23K

Norton - \$27K

York - \$17K

Sincerely,
